

## THE DISPARITY NOW TOO GREAT

That is Opinion of Speaker Graham in Regard to Peremptory Challenges.

(Special to The Times-Dispatch.)  
RICHMOND, N. C., January 19.—The House Judiciary Committee No. 1 has named a subcommittee, composed of Messrs. Doughton, Harshaw and Connor, to consider and report on Speaker Graham's bill equalizing the number of peremptory challenges in capital cases to twelve each for State and defendant, the State to stand none at the foot of the panel. Speaker Graham, in an address to the committee, called attention to the fact that the great disparity now exists, three for the defendant and four for the State, with the rule that the State can stand ten at the foot of the panel, is because originally the defendant was not allowed to testify for himself, and hence was given all advantages possible otherwise. Speaker Graham showed that North Carolina has the greatest disparity of all the States except Ohio and South Carolina. The sentiment of the committee seems to be to cut down the disparity to some extent, but not to the point of equality, on account of the advantage of the State in having the opening and closing argument, and all are of the opinion that if the number of the State's challenges is to be increased there should be no standing at the foot of the panel.

**Favors Divorce Bill.**  
The committee favors Mr. Higdon's divorce bill, which simply amends the present law, granting divorce when the parties have lived apart for ten years, if there are no children, by providing that any children of the union must have attained the age of twenty-one.

Unfavorable is the committee's verdict on Senator Pharr's bill that liens must be filed within six months instead of within twelve months. The House Committee on Counties, Cities and Towns is holding up the bill, pending a bond issue for improvements, including a water plant, for the reason that the bill calls for the issue without submission to the vote of the people, and also because the water plant is not made liable in case the pressure is not maintained. It appears that the bill will be held up until water companies can be held liable in such cases.

**Want Fund Increased.**  
(Special to The Times-Dispatch.)  
RICHMOND, N. C., January 19.—The Spencer Fire Department has passed a resolution asking Representatives John M. Julian and J. W. Carleton and State Senator Whitehead Klutz to introduce and support a bill amending an act creating a firemen's relief fund, passed by the General Assembly of 1907 to increase the amount levied on all insurance companies to 10 per cent. of all premiums collected in North Carolina. Heretofore only one-half of 1 per cent. has been exacted of the insurance companies for this fund. The bill would double the rate which would be doubled this year.

**Want Rate Reduced.**  
(Special to The Times-Dispatch.)  
RICHMOND, N. C., January 19.—The Corporation Commission gave a hearing to-day to representatives of the Contentment Guano Company, Wilmington, and other fertilizer plants for a change in the freight rate on kainet, a material entering largely into the making of fertilizer. At present the freight rate is the same for kainet and fertilizer. The effort is to have the kainet rate reduced.

**Special Term Ordered.**  
(Special to The Times-Dispatch.)  
RICHMOND, N. C., January 19.—The Governor has ordered a special term of court for Lee county to be convened Monday, March 1, at the court house, Judge W. R. Allen, who will hold the first session of court in the new Lee county courthouse. It will be for both criminal and civil causes.

## How to Reduce Fat

The Simplest and Surest Way to Get Rid of Fat Without Drugs.

**How to Prove It to Yourself Free.**  
There has become known a remedy for fat, the use of which has resulted in enormous benefit and most probably in the saving of many lives. This remedy is commonly called "Rengo." The rate at which it reduces fat, and does it harmlessly and surely, is truly remarkable. A round a day is sufficient to lose the excess fat, being done by compelling perfect assimilation of the food and sending the nutriment where it belongs. The most remarkable fact is that of Rengo is that you can take all you want of it without running the slightest risk of harm. It can be chewed like candy and is pleasant to the taste.

Many physicians who before were at a loss to know how to cure obesity are now prescribing Rengo with remarkable success. It is a great nerve-strengthening producer, affecting digestion primarily and producing a general exhilaration of mind and body. Wrinkles which appear in nearly every case of reduction of fat where injurious drugs and starvation are used, do not occur where Rengo is used.

There is nothing "just as good" as Rengo. It can be had by all druggists at \$1.00 per full-sized box, or by mail, prepaid, by The Rengo Co., 3323 Rengo Bldg., Detroit, Mich. The company will mail you a full package free if you write them a card from Detroit, no free packages at drug stores.

Rengo is for sale and recommended in Richmond by Owens & Minor Drug Co., 109 East Main Street; People's Drug Co., 3900 Williamsburg Avenue; Fulton; C. W. Eaton, Twenty-sixth and C Streets; and Fragle Drug Co., 817 East Broad Street, Owens & Minor Drug Co., wholesale distributors.

Petersburg, Va., January 19.

General Lee's birthday was appropriately observed here. Public buildings were closed during the day, in the afternoon many places of business had their doors closed. Flags were displayed here and there, and there were many other evidences of respect to the memory of the great commander. At 4 o'clock the veterans of P. Hill Camp assembled in uniform in their hall, and with banner and drum corps, marched through the principal streets, attracting a great deal of attention. The veterans were under command of General Still, who acted as chief marshal, and were escorted by a detachment of uniformed police and the Petersburg Grays. They marched through Market Street, gave a cordial salute to Mrs. General William Mahone.

In the afternoon the Petersburg Chapter of United Daughters of the Confederacy, gave a tea and reception at the home of their president, Mrs. W. L. McGinn, on Market Street, which proved a charming social event, and was very largely attended. Those invited as special guests were the veterans of A. P. Hill Camp and Sons of Veterans, the officers of the Petersburg Grays, the officers of the Memorial Association and officers of the Daughters of the American Revolution. An interesting feature of the reception was the presentation of a cross of honor. These were bestowed on Confederate veterans, W. E. Gill, A. R. Rives and R. B. Bates; also on the following ladies: Mrs. J. C. Cook, Mrs. J. C. Rives, Mrs. J. C. Meade, Mrs. John D. Ragland, Mrs. S. P. Brockwell and Miss Hattie Elmsworth.

At night the veterans of A. P. Hill Camp again assembled in their hall, and with their invited guests marched to the Gray's Armory to participate in the annual banquet. A hundred plates were laid and a generous spread served. The speakers of the evening were: Colonel J. C. Featherstone, of Lynchburg; Rev. J. C. Cook, pastor of the First Baptist Church; Rev. Dr. Landon R. Mason, of Richmond; General Mosby's famous command, James W. Anderson, a Union soldier, and a Confederate officer. The banquet concluded the day's celebration.

**Personal and Otherwise.**  
Mrs. M. T. Robinson, of Richmond, is the guest of Mrs. David Dunlop, on Friend Street.

Mr. George Aldridge, musician, of the City-Fourth Company, United States Coast Artillery Corps, stationed at Fort Totten, N. Y., is visiting his parents, on Halifax Street. The smoker given in the hall of the Chamber of Commerce last night by Post C. Travelers' Protective Association, was a very pleasant affair, and was well attended. The guest of the evening was Mr. W. A. Kirchoff, national representative of the order, who was also the principal speaker of the evening. He gave a great deal of interesting information about the growth and work of the order, and what it had accomplished in behalf of the business and commercial interests of the country.

The Circuit Court of Prince George county met to-day. Its sessions will probably be brief, and there is not much business of interest on the docket.

**Hustings Court Docket.**  
The Hustings Court of this city will begin its January term on Thursday with some twenty or fifteen cases on the Commonwealth's docket. The session will probably extend to some time in February. One of the most interesting cases is that of *People v. Rengo*, the Rev. Eli Tartie, pastor of the Harrison Street (Colored) Baptist Church, who appeared from the Police Court on a sentence of six months. The charge of inciting a riot at the church, George White, colored, a Rengo follower, also appeared from a like sentence.

Three cases are set for trial on January 27th. The defendants have able counsel. Since the late death of the pastor, the two factions in the church, which were the anti-Tartie and the pro-Tartie, are considering the question of contesting the legality of that meeting and its action.

**General News.**  
After working for some time to get the register of the Washington Street Church, Sunday-school, up to 400, that gratifying end has been accomplished. Last Sunday there were over 400 children present. ## JAIL PROTECTED BY THE MILITIA

**Mob Threatens to Lynch Negro Who Assaulted North Carolina Woman.**

WILMINGTON, N. C., January 19.—The local military company at Clinton, N. C., has been called out by Governor Kitchen to protect the jail there from the attack of a mob of infuriated citizens, who threaten summary vengeance upon William Ward, a strange negro in the community, incarcerated there, and who to-day made a brutal attempt to criminally assault Mrs. W. McLeod, wife of a respectable citizen of Moltonville, four miles from Clinton.

Between 9 and 10 o'clock this morning the negro entered the home, where Mrs. McLeod was alone, choked her and attempted to cut her throat, when she broke away and ran screaming into the yard. The negro gave pursuit, and was in the act of dragging her back into the house when her screams attracted a young white man passing, who reached the scene in time to see the negro flee to the woods.

Bloodhounds from the county convict camp at Clinton were put on the trail three hours later, and the negro was finally captured after some resistance on the edge of a swamp, identified fully by Mrs. McLeod and hurried off to Clinton by the sheriff, who asked for military protection when the crowd began to gather. Mrs. McLeod received no injury other than a severe shock, and the military believe they have the situation well in hand.
